GOVERNMENT OF ANDHRA PRADESH
ABSTRACT

Water Resources Department - Allocation of 0.60 TMC (20 cusecs) water utilizing the existing infra-structure of RTTP Supply Scheme upto Mydukur instead of existing allocation from Somasila Reservoir to Andhra Pradesh Industrial Infrastructure Corporation Ltd., (APIIC) for the Mega Industrial Park at Kopparthy, YSR Kadapa District - Permission Accorded - Orders - Issued.

WATER RESOURCES (REFORMS) DEPARTMENT

G.O.MS.No.57 Date:01-11-2021

Read the following:

1. Govt. Memo. No. 2772/Reforms/A2/2015 of Water Resources Dept., dt. 30-9-2015.
2. G.O.Ms.No.79, W.R. (Reforms) Dept., Dt. 11.11.2019.
3. From the APIIC e-file APIIC- 16024/16/20/2020-ENGG WING APIIC-I received through Ind. & Com. Department dt. 17.8.2021.
4. Govt. Memo No.ICD01-COOR0MISC/40/Reforms/2021, dt.18.8.2021.
5. From the ENC (I),WRD, Vijayawada, Lr. No. ENC (I)/WRD/AP/2021/F 1249/ IWS (Kopparthy), dt. 15.09.2021.

***

ORDER:

Government in the GO 2nd read above, have allocated 46 MLD (0.600 TMC) of water from Somasila Reservoir back water to Andhra Pradesh Industrial Infrastructure Corporation Limited (APIIC), for the newly establishing Mega Industrial Park at Kopparthy, YSR Kadapa District, as per the usual terms and conditions issued in the Govt. Memo 1st read above.

2. The Vice Chairman & Managing Director, Andhra Pradesh Industrial Infrastructure Corporation Ltd., (APIIC) in his proposal vide reference 3rd read above, has requested for allocation of 0.60 TMC water from Gandikota Reservoir instead of Somasila Reservoir, to APIIC for YSRJMIH Kopparthy, Kopparthy Node, YSREMC, for the reasons stated therein.

3. The Engineer-in-Chief (Irrigation), Water Resources Department, Vijayawada vide letter 5th read above, based on the report of the Chief Engineer, Kadapa, has stated that proposed allocation of 0.60 TMC water from Gandikota Reservoir by the APIIC, is techno-economically not feasible as the water in the reservoir is allocated to many of GNSS schemes. Therefore, the Engineer-in-Chief (Irrigation), Water Resources Department in his feasibility report has suggested the following two alternative sources, as against the proposed requirement of APIIC i.e. 0.60 TMC water from Gandikota Reservoir:

a. Lifting of 0.60 TMC water (equivalent to 20 Cusecs) directly from foreshore of SPVB Reservoir.
b. Drawing 0.60 TMC water by utilizing the existing infra-structure of RTTP supply scheme upto Mydukur.

and requested the Government to take further necessary action, as per the requirements of APIIC for meeting their water demands.

4. After careful examination of the matter, Government hereby accord permission to Andhra Pradesh Industrial Infrastructure Corporation Limited (APIIC) allocating 0.60 TMC of water utilizing the existing infra-structure of RTTP Supply Scheme upto Mydukur to Kopparthy, for the newly establishing

P.T.O

Mega Industrial Park at Kopparthy, YSR Kadapa District, as per the usual terms and conditions issued in the Govt. Memo 1st read above, instead of existing allocation from Somasila Reservoir back water already issued vide GO 2nd read above.

5. The Engineer-in-Chief (Irrigation), Water Resources Department, Vijayawada and the Chief Engineer, Kadapa and Chief Engineer, NTR Telugu Ganga Project, Tirupati shall take necessary action accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)

SYAMALA RAO JAMJAM
SECRETARY TO GOVERNMENT
